**ReSource Commercial Flooring Network announces  
The Mohawk Group as  
ReSource Preferred Supplier**

**For Immediate Release**

**Aurora, CO.** - The ReSource Commercial Flooring Network (ReSource) is excited to announce The Mohawk Group as the newest ReSource Preferred Supplier to the network.

Ron Lee, executive director of ReSource stated, "We, our management team and Board of Directors, could not be more pleased with the addition of The Mohawk Group to our network. During our business discussions we were impressed with the breadth and depth of The Mohawk Group's soft and hard surface products, their sales and leadership team and importantly their long standing commitment to and support of the professional flooring contractor. With the addition of The Mohawk Group, I personally believe our members are well positioned to service their customers flooring needs now and in the future."

The addition of The Mohawk Group to the ReSource Network brings an extensive offering of flooring products to the organization's Member Owners. Known for delivering industry-leading style, cutting-edge innovation and superior sustainability, The Mohawk Group's carpet brands , which include Karastan Contract, Lees, Bigelow and Durkan, provide a variety of solutions for many price points. The addition of these brands will broaden and differentiate the soft surface offering available from ReSource members. In addition, The Mohawk Group's hard surface flooring products including rubber sheet, rubber tile, vinyl sheet, VCT, luxury vinyl tile, non-PVC tile and installation accessories will further enhance the solutions ReSource members can offer to customers.

"We are delighted to expand our relationship with the ReSource Commercial Flooring Network," said Michel Vermette, senior vice president of commercial and international business at Mohawk. "An effective flooring install is comprised of more than the product itself. Professional flooring contractors are critical to successful, long lasting flooring installations and ReSource exemplifies this description. The ReSource Network shares Mohawk's core philosophies—a commitment to training and financial stability, environmental sustainability, cooperative working styles, attention to detail and devotion to quality—making this a logical partnership. Our

collaboration with ReSource ensures we have the strongest team available so that we are able to successfully meet the needs of our joint customers.”

The Mohawk Group joins a selective group of manufacturers currently part of ReSource that includes the industry’s most recognized brands of commercial flooring, accessories and installation products.

### **About RCFN**

The ReSource Commercial Flooring Network, LLC (ReSource) is a member owned network of professional commercial flooring contractors located throughout the United States. The organization’s goal is to increase the flooring contractor’s value in the supply chain, and ensure that these values are continually enhanced to support its customers and suppliers. The basic business principle is to provide its member owners programs, services and additional income unavailable as a standalone independent company. Example programs and services include marketing, advertising, cost management, recruiting and training. ReSource has Member Owners in all major, most secondary and some tertiary markets throughout the U.S. To locate the ReSource dealer in your area, visit [www.rcfn.com](http://www.rcfn.com).
